19. **Instructions of the Central Bank:** All parties to this transaction are advised that where the U.S., EU ,UN impose specific sanctions against certain countries , entities and individuals banks may be unable to process a transaction that involves a breach of such sanctions , and authorities may require disclosure of information.

II. Successful Tenderer/ Supplier shall be responsible for the following :

1. All the documents pertaining to the General Conditions, Specifications, Drawings and any Annexes shall form an integral part of the **agreement/ contract / purchase order**.
2. **After awarding, any change in the offered specifications shall not be acceptable.**
3. **Performance guarantee (bank guarantee) equal (10%)** of the total amount through a local Jordanian bank. shall be submit within (10) days of award of tender, to guarantee that materials will be supplied according to BID specifications and conditions, submitted offer on this tender, and related correspondences as well as to guarantee that the whole consignment will be delivered within the specified period.

This guarantee must be **valid for period of not less than (3) months of receipt the materials at Company stores** unless otherwise is stated, subject to extension when required and payable partially or totally to COMPANY at first demand.

Copy of bank guarantee text is herewith attached.

If the Successful Tenderer/ Supplier refuse the letter of award or not submitting the performance bond for any reason, The COMPANY has the right to confiscate the bid bond amount and the supplier will not be allowed to participate in future tenders.

4. **(6) per one thousand** of Contract value shall be paid to cover **revenue stamps to be paid to the Ministry of Finance** according to prevailing Jordanian law. The total sum shall be paid within (10) ten days after the date of award letter to avoid delay penalty, or deduct it from the purchase order.
5. Accept the **purchase order** based on the submitted offer, in addition to all other conditions, which will be agreed upon by the COMPANY and Successful Tenderer, as an obligatory contract for both parties.
6. No assigning of the awarded BID (partially or totally) to any other supplier without the prior written consent from the COMPANY.
7. All original shipping documents (**commercial invoice, AWB, B/L, LWB, detailed packing list , EURO 1 certificate if applicable**) in the name of JPRC, and shall be delivered to our BANK/ JPRC immediately from dispatching of the goods to avoid delay in Jordanian Customs Department.
8. Upon delivery packing list (1) original and (5) copies showing number of packages / cartons / rolls/pallets / gross weight and the contents of each package /carton/roll/pallet/ net weight separately.
9. All materials to be supplied from European countries shall be included with EURO 1 Certificate with shipping documents.
10. All materials to be supplied from USA shall be shipped directly from USA to Jordan according to Jordanian Customs Department rules; so any customs duty will be exempt due to implementation of customs agreement between USA and JORDAN.
11. Successful Tenderer shall be responsible for all applicable additional charges as **Taxes, VAT** in any country outside Jordan.
12. Delivery delay **liquidated damages:** in the event that the Supplier failed to supply the required materials, equipment and necessary documents within the specified delivery period, which prevents putting in service of the equipment, the sum of **JOD (25)** per day or any part thereof

shall be paid by the supplier to COMPANY. (Not exceeding 5 % of contract value).

13. **In case delay or missing of submitting any of the shipping documents to the bank, which leads to storage fees or any custom fees on the goods from JORDAN CUSTOMS DEPARTMENT, all these charges shall be paid by the supplier.**
14. As the contract is a Jordanian one, any dispute arising between COMPANY and the Contractor on the interpretation or execution of the contract, which can't be solved amicably, shall be governed by and construed in accordance with **Jordanian laws**, and shall be referred to arbitration. Arbitration shall be conducted in Arabic, or English translated into Arabic. The venue of arbitration shall be in Amman – Jordan.
15. The COMPANY , through **cashing the guarantees** shall not be deemed to have waived any of its rights under the Contract. For BID performance purpose, the local agent and the Contractor are jointly and severally liable . The COMPANY has the right to claim its rights legally against either party , or both of them, in case they do not comply with any of the BID conditions.
16. The COMPANY has the right to reject of any supplied materials which not in conformity with the required specification, and shall hold the supplier liable for any damage resulting there from.
17. **Transshipment** is not acceptable.
18. If the defect or function failure can't be corrected, the Contractor / Supplier shall promptly replace said equipment (free of charge) or remove the equipment with refund the full purchase price
19. Return copy of purchase order, which considered as **a formal contract signed & stamped by an authorized person (beneficiary) within (48 hours).**
